About This Game

Chilie: The First Encounter

is a brain training game that is completely crazy!

This game is composed of short animated sequences, quick time events and mental calculations. It is mainly for kids.

Story:

Travelling through an imaginary China along with her guardian, a young girl named Chilie is searching for her missing mother. She is a funny little girl with red hair and an eccentric character, who loves red chilli-pepper and is very independent and strong-willed.

Gameplay:

Designed with soft visuals using cell-shading, you will follow the adventures of Chilie and her guardian, on the road again searching for clues. This interactive story will take you into their everyday life, full of comical situations, where you have to solve easy mental calculations to progress in the game.
