The screenshot shows the Git Extensions application interface. The top menu includes Start, Repository, Navigate, View, Commands, GitHub, Plugins, Tools, and Help. The main window displays a commit history table with columns for commit hash, message, author, and time. The selected commit is by Philippe Miossec, titled 'README: Improve download links'. Below the table, the commit details are shown, including the author's name and email, the commit date, hash, and parent hash. The commit message is 'README: Improve download links' and the commit body contains instructions on how to use the links.

README: Improve download links

by:

- \* pointing towards the last release
- \* going directly to the bottom of the page (a little hacky :)
- \* adding a link to install with Chocolatey

Partly fix #6252
